WHAT IS TWO-WAY DUAL LANGUAGE IMMERSION PROGRAM?

The Dual Language Immersion Program (DL): Integrates native speakers of the English language with English learners in the same classroom and provides academic instruction through two languages, one of which is the primary language of each group of students.

HOW DOES THE PROGRAM WORK?

- 50% of the instruction of the school day is carried out in the English language and the other 50% in the Spanish language
- Periods of instruction during which only one language is used
- A proportional number of students who speak only English and those students who are English learners
- The goals of the program are bilingualism, biliteracy, academic performance at or above grade level and multicultural competence
